## leave 'em...

1. Any portable electronic devices (iPods, iPads, etc) are not allowed at camp.

3. Any cigarettes, tobacco, alcohol and/or drugs of an addicting nature.
4. Fireworks of any kind.
5. Weapons of any kind (guns, knives, etc.)
6. Any paraphernalia for pranks.
7. Clothing with questionable content or immodest in nature.
8. Anything that would hinder you or others from having the best week of their life! (ex. Foul language, violence, an attitude, etc.)

## bring 'em...

1. Enough clothes for the trip (5 days, 4 nights). Bring plenty of casual clothes... t-shirts and shorts (that you would not mind getting dirty), tennis shoes and a raincoat. Remember that we want our clothing to be modest and conservative.
2. Bathing suits: one piece or full-coverage tankini only for girls, no speedos or lowrider board shorts for guys!
3. Sunscreen, bugspray and a flashlight. A watch would be helpful to follow the schedule.
4. Linens (twin sheets or sleeping bag), and a pillow.
5. Toiletries (toothbrush, shampoo, soap, deodorant, etc.) and a towel or two.
6. Bible, pen/pencil, notebook.
7. Money for traveling meals (2).
8. Spending money for around camp and at the camp store (optional)
9. A good attitude, smile and a sense of humor... we are going to have a blast!

*\* If you are bringing any medicine(s), please keep them in the original containers and place them in a ziploc bag that is clearly marked with your name, as well as how often they are to be administered. You will be required to fill out the medical info card that will accompany all medication (to be turned in to the Trip Nurse at the Departure Meeting prior to leaving).*
